Mū Bali

Welcome to Abracadabra Restaurant

For our health and the environment

we are doing our best to use as many organic products as we can.

Vegetables and fruits are coming from an organic farm

located in Bedugul area in the central mountain of Bali.

We use fresh product as they come every 2 days and they are harvested

following our order and delivered directly to us.

We also grow veggies in an organic way onsite following the season.

"thank you"

You can bring your own drink, corkage is Rp.150k per bottle
